CCH laws refer to firearms defined as handguns, (not Rifles or SBR's) that meet the states requirements (Pistols and/or Revolvers).

The display or "open carry" of any firearm is strictly prohibited in any College building or on the College campus by college policy with the exception of in defense of one's self or by law enforcement. Display is defined as the intentional showing, presenting, exhibiting and or drawing of a handgun from a position of concealment on one's person. Except in those instances where necessary for self-defense or transferring to safe storage, it shall be a violation of College policy to openly display any lawfully possessed concealed carry handgun in any campus building at all times.

CCH individuals who carry a handgun on campus must carry it on or about their person at all times or secure their handgun in a locked,

privately-owned or leased motor vehicle. A CCH individual may not carry a partially or wholly visible handgun on campus premises or on any College driveway, street, sidewalk, or parking lot. With respect to this policy, concealed means completely hidden from view from any angle and not revealing the weapon in any way, shape, or form.

CCH may be prohibited in areas where the discharge of a firearm might cause great harm, such as laboratories with dangerous chemicals, biologic agents, or explosive agents, and areas with equipment that may snag, catch, or make contact the weapon, and with equipment that is incompatible with metallic objects.
Any person may be held responsible to disciplinary action including but not limited to dismissal from the college and/or criminal prosecution. The College's Weapons/Conceal Carry Policy can viewed on the website here.

The College will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. When informed of an emergency, SATC administrative staff will determine who to notify, determine the content of the notification, and initiate the appropriate notification system—electronic, phone, or person-to- person.
