Research Database List
Updated for AY 2025

A Partnership with ***State of Kansas Library System*** and the ***Salina Public Library*** offer students fine-free, local and statewide library system access via online accounts opened upon completed Salina Tech enrollment.
Student accounts are open for a minimum of two academic years.
More information click here: Public Library Student Accounts

On pages below, you will find links to areas accessible within the ***State of Kansas Library System*** with student access.
Please communicate with Learning Resources Center staff or your course faculty if you have any questions about how to use these resources or access the databases. We are happy to help!

Opposing Views is a database provided to you by Salina Tech.
To access this database, please ask the Learning Resources Center Staff for the password.
