SALINA TECH

Dear High School Student!

We're glad you chose Salina Area Technical College for the 2025-2026 school year! Apply early, as tech programs have limited spots for high school students. If a program is full, you may be waitlisted or offered another option. Remember to check with your counselor about fitting SATC courses into your high school schedule

Please use the checklist below to assist you in this process:

☐ **High School Students**- High school students must be enrolled in high school during the 2025-2026 school year, it is important to communicate with your high school counselor to ensure your SATC course(s) will fit into your high school class schedule.

☐ **Apply**- To apply go to Admissions ->High School -> "Apply Now" or scan QR code on this form. **Complete the application entirely.**

- Please provide complete and accurate information
- Be sure to complete **the TB questionnaire** at the end of the application.
  - *Salina Area Technical College requires students to complete a Tuberculosis Screening Questionnaire, per Kansas Statute KSA 2012 Supp. 65-129e to aid in the prevention and control of Tuberculosis as required by the State of Kansas Department of Health and Environment*
- Incomplete applications will not be processed.

☐ **Placement Testing** - All technical program students are required to take the Math & Reading placement tests. Allied Health students are required to take the Reading placement test. General Education students will need to take the test associated with the class they are enrolling in. Testing is free of charge for SATC students.

- Testing appointment can be made by phone (785)309-3100
- Online at https://www.salinatech.edu/learning-resources/

☐ **Send Your Transcript** - Request an official copy of your high school transcript. We require all students submit transcipts even if you have not completed high school.

☐ **Payments** - The SATC Excellence Scholarship is for high school students in approved career and technical education courses at Salina Tech. This scholarship covers fees and expenses* if these criteria are met: earn a "C" or better in every class (CNA students must earn a 75% or higher); attend at least 95% of every class; and meet the instructor's professionalism requirements.

☐ **Follow Up**-After completing the SATC application and placement testing, contact your program enrollment specialists for guidance on getting started. Note that some programs may have additional admissions requirements.

We look forward to helping you build your success!

SATC Admissions Team

Salina Area Technical College does not discriminate on the basis of race, religion, color, sex (including pregnancy and gender identity), sexual orientation, parental status, national origin, age, disability, family medical history or genetic information, military service, or any other non-merit based factor in admission or access to, or treatment or employment in, its programs and activities.
